(Officers' Certificate Pursuant to Sections 102, 201, 301 and 303 of the Indenture)

ANNEX I

Capitalized terms used in this Annex I and not otherwise defined herein have the same definitions as in the Indenture referred to in the Officers' Certificate of which this Annex I constitutes a part.

- (1) The Securities of the series established hereby shall be known and designated as the “**3.450% Senior Notes due 2024.**”
- (2) The aggregate principal amount of the Securities of such series which may be authenticated and delivered under the Indenture is limited to \$425,000,000, except for Securities of such series authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, other Securities of the same series pursuant to Sections 304, 305, 306 or 1107 of the Indenture. However, such series may be re-opened by the Company for the issuance of additional Securities of such series, from time to time; provided that such additional Securities have the same terms and provisions as the Securities of such series issued on the date (the “**Original Issue Date**”) of the Officers' Certificate of which this Annex I constitutes a part (except for any difference in issue date, issue price, date from which Interest will begin to accrue, Interest accrued prior to the issue date and first Interest Payment Date (as defined below)), and carry the same right to receive accrued and unpaid Interest, as the Securities of such series theretofore issued; provided, however, that, notwithstanding the foregoing, such series may not be reopened if the Company has effected legal defeasance or covenant defeasance with respect to the Securities of such series pursuant to Section 402 of the Indenture or has effected satisfaction and discharge with respect to the Securities of such series pursuant to Section 401 of the Indenture. All of the Securities of such series, including any additional Securities which may be issued upon a re-opening of such series, shall constitute a single series of Securities under the Indenture.
- (3) The Securities of such series are to be issuable only as Registered Securities without coupons and may, but need not, bear a corporate seal. The Securities of such series shall initially be issued in book-entry form and represented by one or more permanent Global Securities of such series, the initial depository (the “**Depository**”) for the Global Securities of such series shall be The Depository Trust Company and the depository arrangements shall be those employed by whoever shall be the Depository with respect to the Global Securities of such series from time to time. Notwithstanding the foregoing, certificated Securities of such series in definitive form may be issued in exchange for Global Securities of such series under the circumstances contemplated by Section 305 of the Indenture. Except as provided in Section 305 of the Indenture, beneficial owners of interests in a Global Security shall not be entitled to have certificates registered in their names, will not receive or be entitled to receive physical delivery of certificates in definitive form and will not be considered Holders of such Global Security.
- (4) The Securities of such series shall be sold by the Company to the several underwriters named in the Underwriting Agreement, dated November 27, 2017, for whom J.P. Morgan Securities LLC and U.S. Bancorp Investments, Inc. are acting as representatives, at a price equal to 99.245% of the principal amount thereof and the initial price to public of the Securities of such series shall be 99.870% of the principal amount thereof plus accrued Interest from December 11, 2017 if settlement occurs after that date, and underwriting discounts and commissions shall be 0.625% of the principal amount of such Securities.
- (5) The final maturity date of the Securities of such series on which the principal thereof is due and payable shall be December 15, 2024.
- (6) The principal of the Securities of such series shall bear Interest at the rate of 3.450% per annum from December 11, 2017 or from the most recent date to which Interest has been paid or duly

provided for, payable semiannually in arrears on June 15 and December 15 (each, an “**Interest Payment Date**”) of each year, commencing June 15, 2018, to the Persons in whose names such Securities (or one or more Predecessor Securities) are registered at the close of business on the June 1 and December 1, respectively, immediately prior to such Interest Payment Dates (each, a “**Regular Record Date**”) regardless of whether such Regular Record Date is a Business Day. Interest on the Securities of such series will be computed on the basis of a 360-day year of twelve 30-day months. If any principal of, or premium, if any, or Interest on, any of the Securities of such series is not paid when due, then such overdue principal and, to the extent permitted by law, such overdue premium or Interest, as the case may be, shall bear interest until paid or until such payment is duly provided for at the rate of 3.450% per annum.

- (7) Each of the Borough of Manhattan, The City of New York and The City of Los Angeles, California is hereby designated as a Place of Payment for the Securities of such series. The place where the principal of and premium, if any, and Interest (including the Redemption Price upon redemption pursuant to Article Eleven of the Indenture) on the Securities of such series shall be payable, where Securities of such series may be surrendered for the registration of transfer or exchange, and where notices or demands to or upon the Company or the Guarantor in respect of the Securities of such series and the Indenture may be served shall be the office or agency maintained by the Company for such purpose in the Borough of Manhattan, The City of New York and in The City of Los Angeles, California, which (i) with respect to the Borough of Manhattan, The City of New York, shall initially be an office of the Trustee in the Borough of Manhattan, The City of New York, which on the date hereof is located at U.S. Bank National Association, 100 Wall Street, Suite 1600, New York, New York 10005; and (ii) with respect to The City of Los Angeles, California, shall initially be an office of the Trustee in The City of Los Angeles, California, which on the date hereof is located at U.S. Bank National Association, 633 West Fifth Street, 24th Floor, Los Angeles, California 90071.
- (8) The following redemption provisions and definitions are hereby added to the Indenture for the benefit of the Securities of such series and the Holders of the Securities of such series and are hereby incorporated by reference in and made part of the Indenture for the benefit of the Securities of such series and the Holders of the Securities of such series as if set forth in full therein:

The Securities of such series are redeemable at the option of the Company, at any time or from time to time prior to September 15, 2024 (the “**Par Call Date**”), either in whole or in part, at a Redemption Price equal to the greater of (i) 100% of the principal amount of the Securities of such series to be redeemed and (ii) the sum of the present values of the remaining scheduled payments of principal of and Interest (exclusive of Interest accrued to the applicable Redemption Date) on the Securities of such series to be redeemed assuming that such Securities matured, and that Interest on such Securities was payable, on the Par Call Date discounted to such Redemption Date on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 20 basis points, plus in each case accrued and unpaid Interest on the principal amount of the Securities of such series being redeemed to such Redemption Date.

On and after the Par Call Date, the Securities of such series are redeemable at the option of the Company, at any time or from time to time, either in whole or in part, at a Redemption Price equal to 100% of the principal amount of the Securities of such series to be redeemed, plus accrued and unpaid Interest on the principal amount of the Securities of such series being redeemed to the applicable Redemption Date.

Notwithstanding the foregoing, installments of Interest that are due and payable on any Interest Payment Date falling on or prior to a Redemption Date with respect to the Securities of

such series will be payable to the Persons who were the Holders of the Securities of such series (or one or more Predecessor Securities), registered as such at the close of business on the relevant Regular Record Dates according to their terms and the provisions of the Indenture. Written notice of redemption must be given to Holders of the Securities of such series not less than 15 nor more than 60 days prior to the applicable Redemption Date.

If less than all of the Securities of such series are to be redeemed, the particular Securities of such series to be redeemed shall be selected in the manner provided in Section 1103 of the Indenture in minimum principal amounts of \$2,000 and integral multiples of \$1,000 in principal amount in excess thereof; provided that, in the case of any Security of such series redeemed in part, the unredeemed portion thereof shall be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof.

Notwithstanding the foregoing, the Company shall not redeem the Securities of such series on any date if the principal amount of the Securities of such series has been accelerated, and such acceleration has not been rescinded or cured on or prior to the applicable Redemption Date as provided in the Indenture.

The redemption of the Securities of such series shall otherwise be made as provided in the Indenture, including Article Eleven thereof.

Certain Definitions

“**Treasury Rate**” means, with respect to any Redemption Date for the Securities of such series, the rate per annum equal to the semi-annual equivalent yield to maturity of the Comparable Treasury Issue, calculated by the Company using a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such Redemption Date. The Treasury Rate shall be calculated on the third Business Day preceding the applicable Redemption Date. As used in the immediately preceding sentence and in the definition of “**Reference Treasury Dealer Quotations**” below, the term “**Business Day**” means any day (other than a Saturday or Sunday) that is not a day on which banking institutions in The City of New York are authorized or required by law, regulation or executive order to close.

“**Comparable Treasury Price**” means, with respect to any Redemption Date for the Securities of such series, (i) if four or five Reference Treasury Dealer Quotations are obtained, the average (as calculated by the Company) of the remaining Reference Treasury Dealer Quotations for such Redemption Date after excluding the highest and lowest such Reference Treasury Dealer Quotations from the four or five, as the case maybe, obtained, (ii) if fewer than four but more than one such Reference Treasury Dealer Quotations are obtained, the average (as calculated by the Company) of all such quotations, or (iii) if only one such Reference Treasury Dealer Quotation is obtained, such Reference Treasury Dealer Quotation.

“**Independent Investment Banker**” means, with respect to any Redemption Date for the Securities of such series, J.P. Morgan Securities LLC and its successors, Barclays Capital Inc. and its successors, Merrill Lynch, Pierce, Fenner & Smith Incorporated and its successors, U.S. Bancorp Investments, Inc. and its successors or Wells Fargo Securities, LLC and its successors (whichever shall be appointed by the

Company in respect of such Redemption Date) or, if all such firms or the respective successors, if any, to such firms, as the case may be, are unwilling or unable to select the Comparable Treasury Issue, an independent investment banking institution of national standing appointed by the Company.

“**Reference Treasury Dealers**” means, with respect to any Redemption Date for the Securities of such series, each of (i) J.P. Morgan Securities LLC, Barclays Capital Inc., Merrill Lynch, Pierce, Fenner & Smith Incorporated and Wells Fargo Securities, LLC (or their respective affiliates which are Primary Treasury Dealers (as defined below)) and their respective successors; provided, however, that if any such firm (or, if applicable, any such affiliate) or any such successor, as the case may be, shall cease to be a primary U.S. Government securities dealer in the United States (a “**Primary Treasury Dealer**”), the Company will substitute therefor another Primary Treasury Dealer; and (ii) a Primary Treasury Dealer selected by U.S. Bancorp Investments, Inc., or its successor.

“**Reference Treasury Dealer Quotations**” means, with respect to each Reference Treasury Dealer and any Redemption Date with respect to the Securities of such series, the average (as calculated by the Company) of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Company by such Reference Treasury Dealer at 5:00 p.m., New York time, on the third Business Day preceding such Redemption Date.

- (9) The Securities of such series shall not be repayable or redeemable at the option of the Holders prior to the final maturity date of the principal thereof (except as provided in Article Five of the Indenture) and shall not be subject to a sinking fund or analogous provision.
- (10) The Securities of such series shall be issued in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.
- (11) The Trustee shall be the initial trustee, Security Registrar, transfer agent and Paying Agent for the Securities of such series.
- (12) The entire outstanding principal amount of the Securities of such series shall be payable upon acceleration of the maturity of the Securities of such series pursuant to Section 501 of the Indenture.
- (13) Payment of the principal of, and premium, if any, and Interest on (including the Redemption Price payable upon redemption pursuant to Article Eleven of the Indenture) the Securities of such series shall be made in Dollars and the Securities of such series shall be denominated in Dollars.
- (14) Other than amounts payable upon redemption of the Securities of such series at the option of the Company prior to the Par Call Date in accordance with Section (8) above, the amount of payments of principal of and premium, if any, and Interest on the Securities of such series shall not be determined with reference to an index, formula or other similar method.
- (15) Neither the Company nor the Holders of the Securities of such series shall have any right to elect the currency in which payments of the principal of and premium, if any, and Interest on (including the Redemption Price payable upon redemption pursuant to Article Eleven of the Indenture) the Securities of the series are made.
- (16) In addition to the covenants set forth in the Indenture, the following covenants set forth below under the caption “**Additional Covenants**” (the “**Additional Covenants**”) shall be and hereby are added to the Indenture for the benefit of the Securities of such series and the Holders of the Securities of such series, and the Additional Covenants, together with the defined terms (the “**Additional Definitions**”) set forth in Section (25) below under the caption “**Additional Definitions**”, are hereby incorporated by reference in and made part of the Indenture for the benefit of the Securities

of such series and the Holders of the Securities of such series as if set forth in full therein; provided that the Additional Covenants and the Additional Definitions set forth below shall only be applicable with respect to the Securities of such series and the Additional Definitions and the Additional Covenants set forth below shall only be effective for so long as any of the Securities of such series is Outstanding:

Additional Covenants

(a) Aggregate Debt Test.

(i) The Company will not, and will not permit any of its Subsidiaries to, incur any Debt (including without limitation Acquired Debt) if, immediately after giving effect to the incurrence of such Debt and the application of the proceeds from such Debt on a pro forma basis, the aggregate principal amount of all outstanding Debt of the Company and its Subsidiaries (determined on a consolidated basis in accordance with United States generally accepted accounting principles) is greater than 60% of the sum of the following (without duplication):

(A) the Total Assets of the Company and its Subsidiaries as of the last day of the then most recently ended fiscal quarter; and

(B) the aggregate purchase price of any real estate assets or mortgages receivable acquired, and the aggregate amount of any securities offering proceeds received (to the extent such proceeds were not used to acquire real estate assets or mortgages receivable or used to reduce Debt), by the Company or any of its Subsidiaries since the end of such fiscal quarter, including the proceeds obtained from the incurrence of such additional Debt.

(ii) For purposes of this covenant, Debt will be deemed to be incurred by the Company or any of its Subsidiaries whenever the Company or such Subsidiary shall create, assume, guarantee or otherwise become liable in respect thereof.

(b) Debt Service Test.

(i) The Company will not, and will not permit any of its Subsidiaries to, incur any Debt (including without limitation Acquired Debt) if the ratio of Consolidated Income Available for Debt Service to Annual Debt Service Charge for the period consisting of the four consecutive fiscal quarters most recently ended prior to the date on which such additional Debt is to be incurred shall have been less than 1.5:1 on a pro forma basis after giving effect to the incurrence of such Debt and the application of the proceeds from such Debt (determined on a consolidated basis in accordance with United States generally accepted accounting principles), and calculated on the following assumptions:

(A) such Debt and any other Debt (including without limitation Acquired Debt) incurred by the Company or any of its Subsidiaries since the first day of such four-quarter period had been incurred, and the application of the proceeds from such Debt (including to repay or retire other Debt) had occurred, on the first day of such period;

-
- (B) the repayment or retirement of any other Debt of the Company or any of its Subsidiaries since the first day of such four-quarter period had occurred on the first day of such period (except that, in making this computation, the amount of Debt under any revolving credit facility, line of credit or similar facility will be computed based upon the average daily balance of such Debt during such period); and
 - (C) in the case of any acquisition or disposition by the Company or any of its Subsidiaries of any asset or group of assets with a fair market value in excess of \$1.0 million since the first day of such four-quarter period, whether by merger, stock purchase or sale or asset purchase or sale or otherwise, such acquisition or disposition had occurred as of the first day of such period with the appropriate adjustments with respect to such acquisition or disposition being included in such pro forma calculation.
- (ii) If the Debt giving rise to the need to make the calculation described in this covenant or any other Debt incurred after the first day of the relevant four- quarter period bears interest at a floating rate, then, for purposes of calculating the Annual Debt Service Charge, the interest rate on such Debt will be computed on a pro forma basis by applying the average daily rate which would have been in effect during the entire four-quarter period to the greater of the amount of such Debt outstanding at the end of such period or the average amount of such Debt outstanding during such period. For purposes of this covenant, Debt will be deemed to be incurred by the Company or any of its Subsidiaries whenever the Company or such Subsidiary shall create, assume, guarantee or otherwise become liable in respect thereof.
- (c) Secured Debt Test.
- (i) The Company will not, and will not permit any of its Subsidiaries to, incur any Debt (including without limitation Acquired Debt) secured by any Lien on any property or assets of the Company or any of its Subsidiaries, whether owned on the Original Issue Date or subsequently acquired, if, immediately after giving effect to the incurrence of such Debt and the application of the proceeds from such Debt on a pro forma basis, the aggregate principal amount (determined on a consolidated basis in accordance with United States generally accepted accounting principles) of all outstanding Debt of the Company and its Subsidiaries which is secured by a Lien on any property or assets of the Company or any of its Subsidiaries is greater than 40% of the sum of (without duplication):
 - (A) the Total Assets of the Company and its Subsidiaries as of the last day of the then most recently ended fiscal quarter; and
 - (B) the aggregate purchase price of any real estate assets or mortgages receivable acquired, and the aggregate amount of any securities offering proceeds received (to the extent such proceeds were not used to acquire real estate assets or mortgages receivable or used to reduce Debt), by the Company or any of its Subsidiaries since the end of such fiscal quarter, including the proceeds obtained from the incurrence of such additional Debt.

1. The Company has been duly incorporated and is validly existing as a corporation in good standing under the laws of the State of Maryland.
2. The Company has the corporate power to create the obligation evidenced by the Guarantee.
3. The Global Note and the Guarantee have been duly executed and delivered by the Company on behalf of itself and, in its capacity as general partner of the Operating Partnership, on behalf of the Operating Partnership, as the case may be.

The foregoing opinion is limited to the laws of the State of Maryland, and we do not express any opinion herein concerning any other law. We express no opinion as to the applicability or effect of any federal or state securities laws, including the securities laws of the State of Maryland, or as to federal or state laws regarding fraudulent transfers, or with respect to the actions required for the Operating Partnership to authorize, execute, deliver or perform its obligations under any document, instrument or agreement. To the extent that any matter as to which our opinion is expressed herein would be governed by any jurisdiction other than the State of Maryland, we do not express any opinion on such matter.

This opinion letter is issued as of the date hereof and is necessarily limited to laws now in effect and facts and circumstances presently existing and brought to our attention. We assume no obligation to supplement this opinion letter if any applicable laws change after the date hereof, or if we become aware of any facts or circumstances that now exist or that occur or arise in the future and may change the opinions expressed herein after the date hereof.

We consent to the incorporation by reference of this opinion in the Registration Statement and further consent to the filing of this opinion as an exhibit to the applications to securities commissioners for the various states of the United States for registration of the Securities. We also consent to the identification of our firm as Maryland counsel to the Company in the section of the Registration Statement entitled "Legal Matters." In giving this consent, we do not admit that we are within the category of persons whose consent is required by Section 7 of the Act.

Very truly yours,

Ladies and Gentlemen:

We have acted as special counsel to Kilroy Realty, L.P., a Delaware limited partnership (the "**Company**"), and Kilroy Realty Corporation, a Maryland corporation (the "**Guarantor**"), in connection with the issuance of \$425,000,000 aggregate principal amount of the Company's 3.450% Senior Notes due 2024 (the "**Notes**") and the guarantees of the Notes (the "**Guarantees**") by the Guarantor pursuant to an indenture dated as of March 1, 2011 (the "**Base Indenture**"), by and among the Company, the Guarantor and U.S. Bank National Association, as trustee (the "**Trustee**"), as amended and supplemented by a supplemental indenture dated as of July 5, 2011 (the "**Supplemental Indenture**"); the Base Indenture, as amended and supplemented by the Supplemental Indenture, is hereinafter called the "**Indenture**"), among the Company, the Guarantor and the Trustee, and an officers' certificate, dated as of the date hereof, establishing the form and terms of the Notes and Guarantees pursuant to the Indenture, and pursuant to: (i) a registration statement on Form S-3 under the Securities Act of 1933, as amended (the "**Act**"), filed with the Securities and Exchange Commission (the "**Commission**") on October 2, 2013 (Registration Nos. 333-213864 and 333-213864-01) (as so filed, the

“Registration Statement”); (ii) a base prospectus dated September 29, 2016 (the **“Base Prospectus”**); (iii) a prospectus supplement dated November 27, 2017 filed with the Commission pursuant to Rule 424(b) under the Act (the **“Prospectus Supplement,”** and together with the Base Prospectus, the **“Prospectus”**); and (iv) an underwriting agreement dated November 27, 2017 by and among the Company, the Guarantor and J.P. Morgan Securities LLC and U.S. Bancorp Investments, Inc., as representatives of the several underwriters named therein (the **“Underwriting Agreement”**). This opinion is being furnished in connection with the requirements of Item 601(b)(5) of Regulation S-K under the Act, and no opinion is expressed herein as to any matter pertaining to the contents of the Registration Statement or related prospectus, other than as expressly stated herein with respect to the issuance of the Notes and the Guarantees.

As such counsel, we have examined such matters of fact and questions of law as we have considered appropriate for purposes of this letter. With your consent, we have relied upon certificates and

other assurances of officers of the Company, the Guarantor, and others as to factual matters without having independently verified such factual matters. We are opining herein as to the internal laws of the State of New York and the Delaware Revised Uniform Limited Partnership Act (“*DRULPA*”), and we express no opinion with respect to the applicability thereto, or the effect thereon, of the laws of any other jurisdiction or, in the case of Delaware, any other laws, or as to any matters of municipal law or the laws of any local agencies within any state. Various matters concerning Maryland law are addressed in the opinion of Ballard Spahr LLP, separately provided to you, and we express no opinion with respect to those matters, and to the extent elements of those opinions are necessary to the conclusions expressed herein, we have, with your consent, assumed such matters.

Subject to the foregoing and the other matters set forth herein, as of the date hereof:

1. Assuming due authorization and execution by the Guarantor, in its capacity as the sole general partner of the Company, when issued and authenticated in accordance with the terms of the Indenture, and delivered against payment therefor in the circumstances contemplated by the Underwriting Agreement, the Notes will be legally valid and binding obligations of the Company, enforceable against the Company in accordance with their terms.

2. Assuming due authorization and execution by the Guarantor on its own behalf, when issued in connection with the execution, delivery and authentication of the Notes in accordance with the terms of the Indenture, the Guarantees will be legally valid and binding obligations of the Guarantor, enforceable against the Guarantor in accordance with their terms.

Our opinions are subject to: (i) the effect of bankruptcy, insolvency, reorganization, voidable preference, fraudulent transfer, moratorium or other similar laws relating to or affecting the rights and remedies of creditors; (ii) the effect of general principles of equity, whether considered in a proceeding in equity or at law (including the possible unavailability of specific performance or injunctive relief), concepts of materiality, reasonableness, good faith and fair dealing, and the discretion of the court before which a proceeding is brought; (iii) the invalidity under certain circumstances under law or court decisions of provisions providing for the indemnification of or contribution to a party with respect to a liability where such indemnification or contribution is contrary to public policy; and (iv) we express no opinion as to (a) any provision for liquidated damages, default interest, late charges, monetary penalties, make-whole premiums or other economic remedies to the extent such provisions are deemed to constitute a penalty, (b) consents to, or restrictions upon, governing law, jurisdiction, venue, arbitration, remedies or judicial relief, (c) the waiver of rights or defenses contained in Section 1011 of the Indenture, (d) any provision requiring the payment of attorneys’ fees, where such payment is contrary to law or public policy, (e) any provision permitting, upon acceleration of the Notes, collection of that portion of the stated principal amount thereof which might be determined to constitute unearned interest thereon, (f) any provision to the extent it requires that a claim with respect to the Notes (or a judgment in respect of such a claim) be converted into U.S. dollars at a rate of exchange at a particular date, to the extent applicable law otherwise provides, (g) provisions purporting to make a guarantor primarily liable rather than as a surety and provisions purporting to waive modifications of any guaranteed obligation to the extent such modification constitutes a novation, (h) advance waivers of claims, defenses, rights granted by law, or notice, opportunity for hearing, evidentiary requirements, statutes of limitation, trial by jury or at law, or other procedural rights, (i) waivers of broadly or vaguely stated rights, (j) provisions for exclusivity, election or cumulation of rights or remedies, (k) proxies, powers and trusts, (l) provisions prohibiting, restricting, or requiring consent to assignment or transfer of any right or property, and (m) the severability, if invalid, of provisions to the foregoing effect.

LATHAM & WATKINS LLP

With your consent, we have assumed for purposes of this opinion that (i) each of the parties to the Indenture, the Notes and the Guarantees (collectively, the “*Documents*”) other than the Company is (a) duly organized, validly existing and in good standing under the laws of its jurisdiction of organization, (b) has the requisite power and authority to execute and deliver and to perform its obligations under each of the Documents to which it is a party, and (c) has duly authorized, executed and delivered each such Document, (ii) with respect to each of the parties to the Documents other than the Company and the Guarantor, each Document to which it is a party constitutes its legally valid and binding agreement, enforceable against it in accordance with its terms, (iii) the Notes have been duly authorized for issuance by all necessary corporate action by the Guarantor in its capacity as the general partner of the Company, (iv) the Indenture has been duly authorized by all necessary corporate action by the Guarantor on its own behalf and in its capacity as the general partner of the Company and has been duly executed and delivered by the Guarantor on its own behalf and in its capacity as the general partner of the Company, (v) the Guarantees have been duly authorized by all necessary corporate actions of the Guarantor and have been duly executed and delivered by the Guarantor, (vi) the status of the Documents as legally valid and binding obligations of the parties is not affected by any (a) breaches of, or defaults under, agreements or instruments, (b) violations of statutes, rules, regulations or court or governmental orders, or (c) failures to obtain required consents, approvals or authorizations from, or make required registrations, declarations or filings with, governmental authorities, and (vii) the Trustee is in compliance, generally and with respect to acting as Trustee under the Indenture, with all applicable laws and regulation.

This opinion is for your benefit in connection with the Registration Statement and may be relied upon by you and by persons entitled to rely upon it pursuant to the applicable provisions of the Act. We consent to your filing this opinion as an exhibit to the Company’s Form 8-K dated December 11, 2017 and to the reference to our firm contained in the Prospectus under the heading “Legal Matters.” In giving such consent, we do not thereby admit that we are in the category of persons whose consent is required under Section 7 of the Act or the rules and regulations of the Commission thereunder.

Very truly yours,
